1724 Connecticut Avenue, NW
Washington, DC 20009
(202) 234-5570

Interviews: 1200 voters, spread evenly across AZ, GA, NH, and NV
Dates: May 18-22, 2022

## FINAL

Study \#14304
Tech Oversight 4 State Survey May 2022

48 Male
52 Female

- Nonbinary/

Other

Please note: all results are shown as percentages unless otherwise stated.

1a. Regardless of how you may be registered, how would you describe your overall point of view in terms of the political parties? Would you say that you are mostly Democratic, leaning Democratic, completely independent, leaning Republican, or mostly Republican?

| Mostly Democratic ........................ | 27 |
| :---: | :---: |
| Leaning Democratic ...................... | 11 |
| Completely independent ................ | 21 |
| Leaning Republican | 9 |
| Mostly Republican ........................ | 31 |
| Not sure ..................................... | 1 |
| Total Democratic | 38 |
| Total Republican | 40 |

1b. How likely are you to vote in the November general election in (INSERT STATE) for U.S. senator and other offices? Will you definitely vote in these elections, probably vote, probably not vote, or definitely not vote--or do you need to wait and see what's going on at that time?

| Definitely vote | 90 |  |
| :---: | :---: | :---: |
| Probably vote ............................... | 7 | CONTINUE |
| Probably not vote ......................... | - | TERMINATE |
| Definitely not vote ......................... | - |  |
| Need to wait and see | 2 | CONTINUE |
| Not sure . |  |  |

2a. Just to make sure we have a representative sample, in what year were you born?

| Under 18.. | - | TERMINATE |
| :---: | :---: | :---: |
| 18-24 .......................................... | 6 | CONTINUE |
| 25-29 | 6 |  |
| 30-34 | 6 |  |
| 35-39 | 9 |  |
| 40-44 | 8 |  |
| 45-49 | 7 |  |
| 50-54 | 8 |  |
| 55-59 | 10 |  |
| 60-64 | 10 |  |
| 65-69 | 10 |  |
| 70-74. | 8 |  |
| 75 or older .................................... | 12 |  |
| Not sure/refused........................ | - |  |

Due to rounding, not all tables will add to 100. When totaled responses differ from individual responses, totaled responses are more precise.

2b. For statistical purposes only, are you of Hispanic, Latino, or Spanish origin? (IF "NO, NOT HISPANIC" OR "NOT SURE," ASK:) And what is your race--white, Black or African American, Asian, or something else?

| White | 72 |
| :---: | :---: |
| Black/African American | 11 |
| Asian | 2 |
| Other | 2 |
| Hispanic ...................................... | 11 |
| Not sure/refused. | 1 |
| Another race not listed here .... | 1 |
| Native American/ American Indian . | 2 |

3ab. Do you approve or disapprove of the job that Joe Biden is doing as president?
(IF "APPROVE/DISAPPROVE," ASK:) Do you strongly (approve/disapprove) or just somewhat (approve/disapprove) of the job Joe Biden is doing as president?

| Strongly approve ............................. | 22 |  |
| :--- | :---: | :---: |
| Somewhat approve ..................... | 16 |  |
| Somewhat disapprove ................. | 9 |  |
| Strongly disapprove ........................................................................... | 30 |  |
| Not sure......... |  |  |
| Total Approve |  | $\mathbf{3 8}$ |
| Total Disapprove |  |  |

## Changing subjects....

4a. Would you say that big technology companies like Google, Apple, Facebook, and Amazon have too much power and influence today, too little power and influence, or the right amount of power and influence?

Too much power and influence .................. 79
Too little power and influence .................... 1
The right amount of power and influence .. 11
Not sure ................................................... 10

4b. Which one of the following statements comes closer to your opinion about big technology companies like Google, Apple, Facebook, and Amazon?

Statement A: They abuse their power and influence for their own benefit and to reduce competition
Statement B: They use their power and influence responsibly for the benefit of consumers

```
Statement A: They abuse their power and influence ........................ }7
Statement B: They use their power and influence responsibly ........... }1
    Not sure..................................................................................... }1
```

Due to rounding, not all tables will add to 100. When totaled responses differ from individual responses, totaled responses are more precise.

The U.S. Senate is considering two bi-partisan bills that are supported by leading Democrats and Republicans to stop big technology companies from taking unfair advantage of their market dominance in order to further reduce competition and harm smaller businesses that use their platforms or offer similar products or services.
5. One bipartisan bill is called the American Innovation and Choice Online Act. This legislation would give federal anti-trust agencies the authority to issue penalties on large technology companies that abuse their market dominance by squeezing out competitors and limiting consumers' choices, and federal anti-trust agencies would have the power to order companies to stop the abusive practices.

Do you strongly favor, somewhat favor, somewhat oppose, or strongly oppose this proposed American Innovation and Choice Online Act?

| Strongly favor | 40 |
| :---: | :---: |
| Somewhat favor. | 37 |
| Somewhat oppose ...................... | 10 |
| Strongly oppose. | 9 |
| Not sure | 5 |
| Total Favor | 76 |
| Total Oppose | 18 |

6. The second bi-partisan bill being considered by the Senate is the Open App Markets Act. This bill would increase competition and consumer choice within the app market for mobile devices that is now controlled by Apple and Google. It would prevent Apple and Google from giving unfair advantage to their own apps over competing apps in their app stores and would give consumers the ability to download apps from alternative app sites that are not controlled by Apple or Google.

Do you strongly favor, somewhat favor, somewhat oppose, or strongly oppose this proposed Open App Markets Act?

| Strongly favor................................. | 46 |
| :---: | :---: |
| Somewhat favor .............................. | 34 |
| Somewhat oppose .......................... | 10 |
| Strongly oppose ............................. | 6 |
| Not sure ...................................... | 5 |
| Total Favor | 80 |
| Total Oppose | 16 |

7. How would it make you feel about (NAME OF SENATOR) if you knew that (he/she) supports these two bipartisan bills because (he/she) believes it is important to promote competition and ensure a level playing field for smaller businesses by stopping big tech companies from taking unfair advantage of their market dominance? Would your reaction be very favorable, somewhat favorable, neutral, somewhat unfavorable, or very unfavorable?

| Very favorable | 31 |
| :---: | :---: |
| Somewhat favorable. | 19 |
| Neutral | 29 |
| Somewhat unfavorable | 4 |
| Very unfavorable............................ | 15 |
| Not sure .... | 2 |
| Total Positive | 49 |
| Total Negative | 19 |

Due to rounding, not all tables will add to 100. When totaled responses differ from individual responses, totaled responses are more precise.

Now I am going to read you two pairs of statements by supporters and opponents of these bills. For each pair, please tell me which statement you agree with more.

## (ON FORMS A/B ASK Q.8a BEFORE Q8.b. ON FORMS C/D ASK Q.8b BEFORE Q.8a.)

8a. Here is the (first/next) pair of statements. After you hear them, please tell me whether you agree more with the supporters or opponents.

Supporters of these bills say that America has a growing monopoly problem, and we need to hold Amazon, Facebook, Google, and Apple accountable when they abuse their dominance in the marketplace to hurt smaller businesses and further reduce competition.

Opponents of these bills say that companies like Amazon, Facebook, Google, Apple are as big as they are because they give consumers what they want, and that is how the free enterprise system should work.

$$
\begin{array}{cc}
\text { Agree more with supporters .............. } & 70 \\
\text { Agree more with opponents ............. } & 26 \\
\text { Not sure ..................................... } & 4
\end{array}
$$

8b. Here is the (first/next) pair of statements. After you hear them, please tell me whether you agree more with the supporters or the opponents.

Supporters of these bills say that the future of America's economy depends on the next generation of small businesses and entrepreneurs, and we should not let monopolies unfairly abuse their market dominance to crush competition from small businesses and entrepreneurs.

Opponents of these bills say that companies like Amazon, Facebook, Google, Apple have been great for America's economy, and the government should not punish these big tech ("tek") companies for being successful.

Agree more with supporters ............. 75
Agree more with opponents ............. 21
Not sure .......................................... 4

Now I am going to read you three criticisms that the big technology companies make about these bills, and what the supporters of the bills say in response to each criticism.

## (ON FORMS A/B ASK Q.9a BEFORE Q.9b. ON FORMS C/D ASK Q.9b BEFORE Q.9a.)

9a. The big technology companies say that if the anti-trust enforcement bill passes, it would have unintended consequences including, quote, breaking Amazon Prime, unquote.

Supporters of the bills say this is just another false scare tactic by the big technology companies, because nothing in the bill would force Amazon to stop offering Prime or free shipping to consumers (ADD ON FORMS A/C ONLY:) it just prevents Amazon from forcing independent sellers to use its costly fulfillment system

Which do you think is more convincing--the criticism by the big tech companies or the response by the bill's supporters?

|  | All | FORMS A/C* | FORMS B/D** |
| :---: | :---: | :---: | :---: |
| Criticism by big tech companies ....... | 23 | 22 | 24 |
| Response by supporters ................ | 72 | 71 | 72 |
| Not sure..................................... | 5 | 6 | 4 |

Due to rounding, not all tables will add to 100. When totaled responses differ from individual responses, totaled responses are more precise.

9b. The big technology companies say that giving consumers the right to download mobile apps from sources other than Apple and Google stores would increase the risk of people getting harmful malware on their mobile devices.

Supporters of the bills say this is just another false scare tactic by the big technology companies, because people already can download programs from various sources onto their desktop and laptop computers, and anti-virus programs built into the operating system can detect malware.

Which do you think is more convincing--the criticism by the big tech companies or the response by the bill's supporters?

| Criticism by big tech companies ....... | 24 |
| ---: | ---: |
| Response by supporters ................................................................ | 60 |

9c. The big technology companies say that these bills would threaten our national security by hampering the ability of technology companies to counter disinformation and cybersecurity risks online from foreign adversaries like Russia and China.

Supporters of these bills say that big technology companies prioritize their profits over U.S. national security interests by catering to autocratic regimes like Russia and China in order to market their products there, and that these bills pose no cybersecurity risk to users.

Which do you think is more convincing--the criticism by the big tech companies or the response by the bill's supporters?

| Criticism by big tech companies ....... | 16 |
| :---: | ---: |
| Response by supporters ............... | 60 |
| Not sure |  |

10. Having heard more about the issues, do you want (NAME OF SENATOR) to vote for or vote against the bipartisan bills to promote competition and ensure a level playing field for smaller businesses by stopping the big tech companies from taking unfair advantage of their market dominance?

$$
\begin{array}{ccc}
\text { Want senator to vote for these bills........... } & 71 \\
\text { Want senator to vote against these bills .. } & 23 \\
\text { Not sure ............................................. } & 5
\end{array}
$$

## FACTUALS: These last few questions are for statistical purposes only.

F1. What is the last grade that you completed in school?
(IF INITIAL RESPONSE IS "NOT SURE" OR REFUSED, SAY:) As a reminder, your answer is completely confidential and is being used for statistical purposes only. With that in mind, could you tell me the last grade of school or level of education you completed?
Grade school ..... 2
High school graduate ..... 14
Some college, no degree ..... 24
Vocational training/2-year college ..... 16
4-year college/bachelor's degree ..... 24
Some postgraduate work, no degree ..... 4
2 or 3 years' postgraduate work/master's degree ..... 11
Doctoral/law degree ..... 5
Not sure/refused ..... 1

F2. In terms of your views on political issues, would you describe yourself as very conservative, somewhat conservative, middle of the road, somewhat liberal, or very liberal?
(IF INITIAL RESPONSE IS "NOT SURE" OR REFUSED, SAY:) As a reminder, your answer is completely confidential and is being used for statistical purposes only. With that in mind, would you tell me how you would describe yourself in terms of your views on political issues?

| Very conservative | 22 |
| :---: | :---: |
| Somewhat conservative ............... | 21 |
| Middle of the road | 28 |
| Somewhat liberal | 14 |
| Very liberal | 13 |
| Not sure .................................. | 1 |
| Total Conservative | 43 |
| Total Liberal | 27 |

F3. And just to make sure that we have an accurate sample that is representative of the state, in the last election for president, did you vote for Donald Trump, the Republican, Joe Biden, the Democrat, or (ALWAYS ASK LAST) Jo Jorgensen, the Libertarian? (IF RESPONDENT HESITATES OR REFUSES ASSURE THEM THAT THEIR ANSWER WILL BE COMPLETELY CONFIDENTIAL AND WE ARE JUST ASKING TO ENSURE WE HAVE A REPRESENTATIVE SAMPLE.)

$$
\begin{array}{cc}
\text { Donald Trump, the Republican ........ } & 47 \\
\text { Joe Biden, the Democrat ................ } & 49 \\
\text { Jo Jorgensen, the Libertarian .......... } & 3 \\
\text { Not sure/refused ............................ } & -
\end{array}
$$

F4. Finally, do you or does someone in your household subscribe to Amazon Prime?

$$
\begin{array}{cc}
\text { Yes, subscribe to Amazon Prime ............. } & 74 \\
\text { No, do not subscribe to Amazon Prime .... } & 25 \\
\text { Not sure/refused .................................... } & 1
\end{array}
$$
